

Sixth Grade Boxed Lunch Social

Happy Thanksgiving!

Dear Parents and Guardians,

On Wednesday November 22nd, sixth grade teams will be holding the annual Sixth Grade Thanksgiving Boxed Lunch Social in the cafeteria. This event will be a great way for our students to get together with their sixth grade friends and celebrate the holiday spirit.

As you may be aware, Wednesday is a half day and lunch is not served, so a special lunch is perfect for this day.

We are asking students to get together with their friends, in groups of any size, and plan a lunch they can enjoy in the spirit of celebrating Thanksgiving. It will ultimately be each group's responsibility to bring in food, paper products, cups, flatware, etc. No food or other materials are provided, so please help your student plan accordingly!

We are asking that as you help your student plan for this lunch that you help us consider the safety of the students and *do not pack any glass bottles or other glass containers.*

It is also especially important to *be aware of any food allergies* that any of the group members may have. *Some common food allergies include fish, shellfish, dairy, soy and any type of nut.*

It is always recommended that students with severe food allergies do not eat any food without labels and may want to consider packing or bringing their own foods.

We hope that you and your family have a wonderful holiday!

Sincerely,

Ms. O'Sullivan and Team Wildcats

Mr. Mantes and Team Silver Lions

Ms. Varney and Team Red Tigers
