

Passports Educational Travel

Spain Trip Informational Meeting

Tuesday October 3rd at Maplewood Middle School

Dear Parents/Guardians,

We are proposing to lead a group of students from **Maplewood and South Orange Middle Schools to Spain** on a cultural, educational tour operated by Passports Educational Travel Company.

We operated this tour this past Spring Break where 19 of our 8th grade students attended this amazing learning experience.

Your child has expressed interest in this international learning experience where he/she would be exposed to the Spanish language and its' culture, history, architecture, religion, art, and music with great opportunity to practice what we have studied in the classroom. Announcements in the classroom have already generated a good deal of excitement at school.

We would be **departing on Friday April 6th, 2018** (half day from school) and continue through **Spring break** to return on **Saturday April 14th, 2018**

You are invited to attend a **joint informational meeting on Tuesday October 3rd, 2017** in the **library at Maplewood Middle School** to discuss the details of this proposed trip. The meeting will be held at **6:30pm**.

You and your child are cordially invited to join us.

Sincerely,

Miguel Peña
Carla Dos Santos
Spanish Teachers

Tear off and return to your Spanish teacher **by Monday October 2nd, 2017**. **Please check one.**

_____ I plan to attend.

_____ I will be unable to attend, but would like an information packet about the trip.

_____ I am not interested at this time.
