

Orchestra Memo

Tuesday, January 23rd, 2018

7 PM

Maplewood Middle School Auditorium

- 6th grade call time: 6:15
(Please allow student to bring something to occupy themselves, for example, a book; they will have about 30 minutes of down time before going on stage.)
- 7th grade call time: 6:30
- 8th grade call time: 6:40

Concert attire is all black.

Please refrain from sweatpants and t-shirts with logos on either front or back. This is a performance.

Parents, the early call time is to allow enough time to tune instruments and make sure all music is in order. Also, if all goes well, the performance of all three grades will last approximately 45 minutes. Please stay for the whole event, 6th graders especially. It allows them to see what the grades higher than them have been working on.

As always, thank you for supporting our young musicians and Fine Arts program.

Stay warm,
